

## **Match Director's Note: October 15, 2005**

I would like to thank all of the shooters who helped make 2005 the most successful Howell Shooting Club IDPA season ever! I also have to thank everyone who participated in the last match of the year for their patience. The wind caused havoc with the moving targets, and if it hurt some shooter's scores, I do apologize. Considering that we had 43 shooters attend the match, we feel that things went very well.

A special thanks goes out to Scott Baron and Bob Bruining for their course designs. Scott did Stage One (The Gauntlet) and Bob did Stage Three (Surprise in the Warehouse). Both were very fun to shoot!

Thanks to my Friday set up crew; Scott Baron, Bob Bruining, Kris Krohn, Larry Pomykawski and Chuck Mansfield. Stage One alone took over two hours to set up!

Finally, I like to thank all of those who stuck around after the match to help strike the stages. A little help make a huge difference and we had a lot of help. It means a lot to us.

I look forward to seeing each and every one of you next year.

Safe shooting everyone,  
Dave McKinney  
HSC IDPA Match Director
